Media Information

The Tiger Football Media Guide was prepared by the Fort Hays State Sports Information Office to assist the news media in its coverage of FHSU football. Requests for additional information, feature materials and photographs, will be readily granted. Please contact Kim Kimbro, Sports Information Director, for your specific requests.

Credentials ... Requests for credentials for Fort Hays State home games should be made at least one week prior to the game. Credentials will be limited to working press, radio, television and visiting information directors, and may be obtained through the Sports Information Office.

Interviews ... All requests for interviews with players and coaches must be channeled through the Sports Information Office. Post game interviews with Coach Vincent can be conducted following a 10 minute cooling off period immediately after the game has ended. Player contact can be made 10 minutes following the game outside the Tiger locker room.

Game Services ... Media guides, programs and the latest statistical information will be available in the press box prior to all contests. Half-time statistics, play-by-play and final statistical booklets will be distributed to the media during halftime and approximately 10 minutes after each game.

FHSU Outlook '86

The 1985 Tiger football squad exceeded most expectations that coaches, players and fans had going into the season. It was a season in which Fort Hays State shattered 38 school records, posted its best record, 7-2-1, since 1966 and achieved its highest final ranking (12th) since the NAIA started its coaches poll. This season the goals have been raised and the sights are set a little higher.

All of the good things that happened in the program last season do create problems as far as expectations are concerned according to head coach John Vincent. "Last year we had no pressure on us because all we had to do was get better," says Vincent. "This year we have to be at least as good as we were last year and that is tough."

One area that Vincent and his staff are very concerned about is senior leadership. With the loss of outstanding seniors Robert Long and Terry Thomas a void has to be filled. "It is a little bit different from last year because we had quality senior leadership whereas this year we have some good seniors but no clear cut leaders like Robert and Terry," states Vincent. "Those two drove the others hard in practice. We have had some players emerge as leaders and we need a couple of more."

OFFENSE

The Tiger offense was hit hardest by graduation with the loss of first team All-America quarterback Robert Long, runningback Terry Thomas and three outstanding linemen. Five starters return and the prospects aren't as bleak as they may seem.

A strong receiving corp returns with All-America receiver Eric Busenbark (6-1, 190) leading the way. That is if Busenbark completely recovers from extensive knee surgery performed following the final game of last season. Also returning are starters Randy Knox (SE, 5-11, 185) and Kip Stewart (SE, 5-7, 150). Stewart has been moved from a slotback position to split end which is designed to capitalize on his explosiveness. The final piece to the puzzle is Frankie Neal (SB, 6-2, 205), a transfer from the University of Florida. Neal has the proven ability to be a game breaker and should team up well with Busenbark.

One question that has yet to be answered are how the shoes of Long and Thomas will be filled at quarterback and runningback, respectively. Senior Randy Fayette (6-2, 195) has the inside track at winning the quarterback job. Fayette was impressive in the Craig Horchem Alumni-Varsity game last spring but Jeff Miller (6-2, 190) will likely push him for playing time in the fall. At runningback, Mike Worth (5-8, 190) has become the leading candidate to replace Thomas, who rushed for over 1,000 yards in 1985.

Vincent sees the development of a runningback as one of the keys to success for the 1986 Tiger squad. "We have not replaced Terry Thomas," Vincent says emphatically. "Of all the people that we have lost in my opinion we will miss him the most. We don't have a guy that has the shake 'n bake that Terry had. Maybe Mike Worth can do it or maybe one of the kids we brought in can do the job."

The offensive line could be better this year despite the loss of three quality starters. Returning are James Bess (OG, 6-0, 230), Rick Wheeler (OG, 6-1, 240) and Rob Ukleya (OT, 6-5, 255). Ukleya has earned a shot to start after two seasons on the squad. Bess has made the move to guard from center which clears the way for Darryl Pittman (6-2, 255), a newcomer to the Tiger program. A transfer that will help right away is Howard Hood (OT, 6-4, 280) who played one year at the University of Louisville.

DEFENSE

Seven starters return for Coach Vincent on defense. The defensive front looks to be the most improved area among the entire Tiger squad with three returning starters and two highly touted transfers making up the line.

"We have some real quality athletes on the defensive front," says Vincent. "That will definitely be the most improved area because of the people we have brought in."

Both defensive ends, Paul Nelson (6-1, 205) and Sammy Taamilo (6-1, 215) return after fine seasons in 1985. Nelson was selected to CoSIDA's Academic All-America first team and Taamilo received honorable mention honors in the CSIC. Also return-

ing to hold down the nose guard position is Mike Hipp (6-2, 230). The newest members of the defensive front are Les Miller (6-7, 260) a transfer from Kansas State University and Rod Timmons (6-3, 260) a transfer from the University of Kansas. Cliff Rollins (6-4, 215) is also available to spell Miller and Timmons.

The linebacker troops have been given a facelift for '86 with Randy Jordan (6-1, 230) assuming one starting job. Jordan saw plenty of action last season and was a valuable contributor on the special teams. This segment of the defense concerns Vincent. "It is not a weakness as such, but we have define question marks at linebacker. One of the kids (Harry Brown) that started this spring we did not bring back and we don't have a lot of depth there. Jordan is definitely going to have to pick up some slack." Edmund Faagai (6-1, 225) has moved from defensive tackle to linebacker. Faagai and Brian Seba (6-0, 200) will get plenty of playing time in the middle of the FHSU defense.

Another area that is pretty much set heading into the 1986 campaign is the defensive secondary. Returnees John Kelsh (SS, 6-0, 190) and Channing Day (CB, 5-9, 170) started every game last year. Free safety Kelly Barnard made the biggest transition of any Tiger last season when he moved from a tight end/slotback position to the defense. Barnard performed very well in the final three games at free safety and is expected to see action at that spot on every down this fall. Steve Heft (6-0, 180) has earned the starting cornerback job that was vacated by Terry Duncan. Heft is another Kansas State transfer. Sam Holloway (6-0, 200) will share playing time with Kelsh at strong safety this year.

SUMMARY

With all things considered, the Tiger's track record from 1985, what players are available for the '86 season and the schedule that has been put before the squad it will be an interesting fall to say the least.

Fort Hays State has strived to put its football program in the national spotlight and into the NAIA hierarchy. John Vincent and company took baby steps last season in accomplishing this feat. But as Vincent himself expressed, the expectations have become greater and the pressures to win lie heavily on this year's squad. How will the 1986 FHSU squad respond to the pressure? Can the '86 Tigers be as good as last year? Will Robert Long and Terry Thomas be replaced? The answers to all of these questions will have to be answered on the gridiron starting September 6 against Lincoln University at Lewis Field in Hays, Kansas.

Tiger Coaching Staff

John Vincent — Head Coach

John Vincent starts his second season as head coach of the Tiger football program. Vincent completed a very successful first season with a 7-2-1 record and a number twelve ranking in the NAIA's final poll.

A native of Medicine Lodge, KS, Vincent spent three seasons as an assistant at Fort Hays State before assuming head coaching responsibilities. He was responsible for coordinating the defense under Bobby Thompson in 1984 and held down the same position for Jim Gilstrap during the 1982 & 1983 seasons.

With experience in the high school and junior college ranks, Vincent has coached at all levels. In 1980-81, he was the defensive secondary coach at New Mexico Military Institute. He also made stops at Victoria and Claflin high schools in his coaching career.

The Tiger head mentor received both his undergraduate and graduate degrees from Fort Hays State. He earned his Master of Science in physical education in 1982 and his Bachelor of Science in biology in 1971. While working on his master's degree, Vincent was a graduate assistant on the FHSU coaching staff.

Vincent attended Kansas State University prior to finishing his undergraduate work at Fort Hays State. His football playing career was cut short by a stint in the Army. He played cornerback and free safety on Army post teams that competed in inner service games. Vincent went out for Tiger spring ball in 1979 but was unable to continue playing due to an illness.

John and his wife, Mary, are the parents of twin sons, Shiloh and Tanner and also have one daughter, Shamra.

THE VINCENT PHILOSOPHY

"Football is a game. I think you have to view it in that perspective. You have to be intense and concentrate on what you are doing, but you've got to keep it in perspective. If you are doing the best that you can and still lose, it is not life and death. It's not like you've been told you are going to be shot. I think it has to be approached as a teaching philosophy and not screaming, yelling and belittling the players. You have to teach your kids mental discipline and how to maintain composure. If you are going to play football it has to be a positive experience because it is enough hard work playing and practicing. You have to have some kind of rewards and its got to be fun, especially when you play a game."

JEFF BRIGGS / Assistant Coach

Jeff Briggs begins his second season as a full time assistant on the Fort Hays State staff. He will assume defensive line responsibilities this season after one year of handling the offensive line. From the spring of '83 to the spring of '85, Briggs was a graduate assistant coach for the Tigers.

During his playing days at FHSU Briggs was a standout running back from 1979-82. He received honorable mention all-CSIC honors in 1979 and 1980. All-CSIC academic honors came his way in 1982.

Briggs is a double graduate of Fort Hays State University with a B.S. in physical education, 1983 and a M.S. in physical education, 1984.

Jeff is a native of Broken Bow, NE. He is married and wife's name is Joleen. The Briggs' had their first child in July, a son named Dylan.

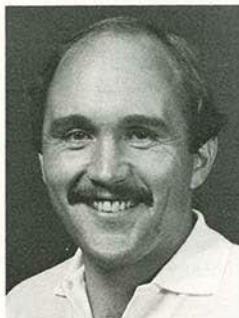

MIKE DeBORD / Assistant Coach

Now in his third year on the Tiger coaching staff as the offensive coordinator, Mike DeBord initiated FHSU's change in the offensive set during the spring of 1986. The Fort Hays State offense was second in the NAIA in total offense last season.

DeBord spent two years, 1982-84, as the offensive line coach at Franklin (IN) College. At Franklin, the Grizzlies were the top NCAA-Division II team in the nation in team passing.

A native of Gaston, IN, and a 1978 graduate of Manchester (IN) College, DeBord was an honorable mention all-America selection at center. He completed work on his master's degree in physical education in 1980 at Ball State (IN) University. While at Ball State he worked as a graduate assistant with the centers and guards. The Cardinals won the Mid-America Conference championship in 1979. His coaching experience also includes head coaching duties at South Decatur High School in Indiana from 1979-1982.

Mike and his wife, Deb, have two sons, Tyler & Kyle.

Gerald Tomanek — President

Dr. Gerald W. (Jerry) Tomanek has been president at Fort Hays State University since 1976. He is the University's seventh president and number one sports fan. He and his lovely wife, Ardis, are virtually permanent fixtures at Tiger home athletic events and attend many road contests as well.

An environmentalist and grasslands consultant, Tomanek has served the University in many capacities since joining the faculty in 1947. His teaching skills and magnetism in the classroom are legend with alumni and faculty. The President holds bachelor's and master's degrees from FHSU and the Ph.D. degree from the University of Nebraska.

Tomanek's accolades are many. He was twice called to the Argentine to lend his grasslands expertise, was a consultant for a CBS-TV prairie grasslands special, is the recipient of numerous awards for his conservation practices and knowledge, and was

named "Kansan of the Year" in 1978 by the Native Sons and Daughters of Kansas. He is a popular speaker and the author of many articles for professional journals. He is active in community and professional groups and is a dedicated church worker.

The man who put FHSU grassland study on the international map realizes that a strong administration is necessary for an outstanding institution of higher education and he attacks that philosophy with the same degree of enthusiasm he used while teaching.

President Tomanek recognizes the importance that a strong athletic program plays in the total overall offerings of a well-rounded university and is committed to the belief that Fort Hays State University will be a leader both in the classroom and on the athletic fields.

Bob Van Poppel — Athletic Director

Bob Van Poppel, who brings with him strong and successful experience in the educational and private sectors, was named to the post of director of athletics at Fort Hays State University on April 22, 1985.

Van Poppel uses a guideline in life of "strive for excellence, no excuses and no compromises." He spent his first year at Fort Hays State evaluating personnel and programs making changes only when needed. One significant area Van Poppel had made strides to improve is the athletic departments relationship with its former letter winners. He has revived the K-Club and is implementing a Varsity Club for letter winners after 1975.

A native of Ohio, Van Poppel was highly successful in the insurance business in Richmond, IN, before coming to FHSU. His administrative background in athletics dates back to Earlham College in Richmond where he was athletic director from 1977 to 1982. He coordinated the entire athletic program for a small liberal arts college with an enrollment of 1,300. He was responsible for a total of 16 varsity sports which is similar to the eight men's and seven women's he will direct and manage for the Tigers.

Van Poppel has also held posts as a coach and instructor at Chadron (NE) State College (1973-77), Wittenburg (OH) University (1970-73) and Wisconsin-Whitewater (1969-70). He also held positions in athletics at the high school level in Ohio.

A four-year letter winner in basketball, Van Poppel received his B.S. degree in Education from Bowling Green State University in 1966. He earned a master's degree in Education from Ohio University in 1968. Indiana University was the site of advanced graduate work in administration for Van Poppel.

Bob and his wife, Lynne, have five children: Andra (14), Bret (16), Cleto (10), Helen (24), and Tisha (14).

Athletic Staff

NANCY POPP / Associate Athletic Director

Nancy Popp is in her tenth year as the Associate Athletic Director at FHSU. Her major duties include work with the budget and finance. She also is an instructor in the physical education department and is a former Fort Hays State women's track coach.

Popp earned her B.S. in art education from Murray (KY) State in 1958. She completed work on her masters degree in physical education in 1961 at Indiana University.

Nancy and her husband, Bob, live in Russell where she commutes to work. They are the parents of a daughter, Kelly, and a son, Mark.

ED McNEIL / Associate Athletic Director

Ed McNeil has proven to be versatile in his 25 years on staff at Fort Hays State. He currently holds the position of Associate Athletic Director and handles scheduling and transportation. He has been at his current post for nine years.

McNeil was a very successful coach in the gymnastics field prior to his appointment as an administrator. He also assisted with the Tiger football program. He was almost solely responsible for the FHSU gymnastics program's growth to national prominence, finishing among the top teams in the NAIA year after year. McNeil has served on the U.S. Olympic Committee and is a past president of the NAIA Gymnastics Coaches Association. He was inducted into the NAIA Hall of Fame.

Ed and his wife, Mary, reside permanently in Hays and also have a farm near Topeka.

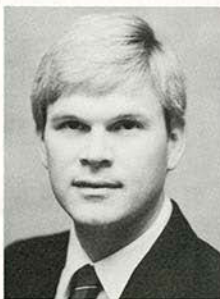

VERN HENRICKS / Asst. Athletic Director

Vern Henricks is starting his eighth year in his dual role of assistant athletic director and head baseball coach. Along with those duties he also is an instructor in the HPER department.

His duties in the athletic department include fund raising, tickets, concessions and some business aspects of the operation. Henricks led the FHSU baseball squad to their most successful season ever with a 47-16-1 mark last season.

The Hope, KS native has earned degrees from Dodge City Community College (A.A.) and Kansas State University. He received both his B.S. and M.S. degrees in physical education from K-State. He was a two year letter winner at KSU as a pitcher on their baseball team.

Vern is married and his wife's name is Lane.

KIM KIMBRO / Sports Information Director

Kim Kimbro is in his third year as Sports Information Director. He is responsible for the daily operation of the sports information department at Fort Hays State.

The native of Towanda, Kansas, joined the Tiger staff in August of 1985. His primary responsibilities include the day-to-day contact with local media, statistical and weekly releases and the production of media guides and game programs. He supervises a staff made up of student assistants that help with press box operations, material for publications and special events.

Before coming to Fort Hays State, Kimbro served as a graduate assistant in the sports information office at Wichita State University. He received his M.Ed. degree in Sports Administration (1984) from WSU. He also earned his B.S. degree in Recreation Administration (1978) from Pittsburg State University and an A.A. degree from Butler County Community College (1976).

Kimbro is a member of the College Sports Information Directors of America (CoSIDA), NAIA-Sports Information Directors Association and National Collegiate Baseball Writers Association. He is married, and his wife's name is Kari.

Fort Hays State University

An aerial view of Fort Hays State University depicts the campus many have said is the "prettiest in Kansas." All the buildings are laced with limestone and the new, lush grass and beautiful trees help the campus live up to its reputation.

Fort Hays State University's beautiful tree-lined campus provides students with an attractive educational setting.

The University is located in Hays, a city of more than 17,000 persons, situated about halfway between Kansas City and Denver on Interstate 70 Highway.

Faculty at FHSU numbers more than 300. An additional 280 staff members contribute to the friendly, clean atmosphere found on the campus.

Students at FHSU have the opportunity to pursue a career by selecting from 24 departmental offerings, our school of nursing, or from our preprofessional programs. The University offers degrees including one, two, four, five and six-year study programs, and we offer the associate, bachelor's, master's and specialist in education degrees.

Annual enrollment at FHSU is more than 5,000 students. Two-thirds of the student body are graduates of rural Kansas high schools.

The University offers students a variety of extracurricular activities in which to participate. Departmental and professional clubs, intramurals, varsity athletics, and other groups and activities beckon those with the talent and time to participate.

Four national sororities and five national fraternities maintain chapters here and add to the social, academic and philanthropic activities of student life.

Several concerts are brought to campus each year by the Memorial Union Activities Board. Other entertainment forms come as speakers, dancers or touring groups and individuals.

Fees at FHSU are comparable to other state-assisted institutions in Kansas and considerably less than the private colleges. Persons enrolling in 15 hours of work should be prepared to pay about \$500 each semester at FHSU. Fees do not include the cost of books.

For housing, the University offers two women's residence halls, two men's residence halls, one co-ed hall, and married student housing, all within easy walking distance of classes.

Hays City ...

Is the medical, agricultural, educational, and cultural center for the whole of northwest-central Kansas. There are many fine restaurants and motels, businesses and numerous activities in Hays just waiting for you!

Picken Hall is probably the most identifiable building on the FHSU campus. The stately pillars have been used countless times for photographic purposes.

Fort Hays State 35, Lincoln 3

JEFFERSON CITY, MO (Sept. 7) - The Tigers under the guidance of first year head coach John Vincent scored just 2:26 into the first period and carved out a 21-0 lead after the initial quarter. Robert Long connected with eight FHSU receivers for five touchdowns and a total of 401 yards in passing. The long journey to Jefferson City was marred by a bus breakdown, but the Tigers were prepared to play their first game of the season and responded on the field with a big win.

ALAMOSA, CO (Sept. 14) - Terry Thomas had a banner day carrying the ball, 172 yards and three touchdowns, and Tom Odle connected on field goals from 41 and 44 yards to pace the Tigers. Most of the good play on both sides of the ball was overshadowed by 298 yards in penalties with FHSU credited with 21 infractions for 197 yards. Odle's 44 yard field goal midway through the final period put the Tigers up 34-17 and insured the victory.

HAYS, KS (Sept. 21) - The third contest of the 1985 campaign was the win that got away. Fort Hays State led 12-0 at the half and never trailed in the contest. The Tigers seemed to be in complete control and held a 19-12 lead and were driving when the game was turned around. Karl Kearney of Panhandle State intercepted a Robert Long pass at 3:15 in the fourth period and returned it 64 yards for a touchdown. A missed extra point attempt following FHSU's first score was crucial in the final outcome.

HAYS, KS (Sept. 28) - The Tigers won with only an air attack while making only one turnover. Robert Long passed his way to a single game mark in completions with 38. FHSU gained 399 yards passing and minus 10 rushing. It was a hard fought contest and the Griffons were bitten by the turnover bug (three lost fumbles and two interceptions) which proved to be the difference. Missouri Western out gained FHSU in total offense 453 to 389. Five Tiger receivers hauled in passes for more than 60 yards each.

Fort Hays State 35, Kearney State 28

HAYS, KS (Oct. 5) - A homecoming crowd of 8,082 witnessed a hard fought win by the Tigers over arch-rival Kearney State. The contest was decided in the final three minutes of play. After Brett Lind of Kearney State intercepted a Robert Long pass, the Lopers stalled at the FHSU 21. Jeff Norblade's punt was blocked by Randy Jordan and the Tigers took over first and ten on the 14. Long tossed a 14 yard touchdown pass to Kip Stewart on the very next play from scrimmage for the game winner.

WAYNE, NE (Oct. 12) - The Tigers took an early lead against Wayne State and held on with Terry Thomas scoring what was to be the game winning touchdown at the 7:31 mark of the fourth quarter. Thomas (116 rushing, 26 receiving) and Eric Busenbark (153 receiving) combined for three touchdowns and 295 yards in offense to pace FHSU. Wildcat linebacker, Tony Shaw, created problems for the Tigers all day and made a total of 19 tackles in the contest.

Pittsburg State 54, Fort Hays State 46

HAYS, KS (Oct. 19) - A game that featured 1,142 yards in combined total offense and 100 points ultimately decided the CSIC Championship, Pittsburg State came up with 30 fourth quarter points to overcome a 40-20 third period deficit. The Gorilla rushing attack of Bruce Stancell (231 yards) and Rodney Lewallen (126 yards) offset 464 yards passing by Robert Long and company. A strange but crucial turn of events had Pittsburg State kicking off at their own 20 yard line after FHSU was assessed 40 yards in penalties. The score was tied at 40-40 and PSU eventually turned the field position into a go ahead touchdown.

Fort Hays State 30, Washburn 0

TOPEKA, KS (Oct. 26) - The Tiger defense had its best day of the '85 campaign with a shutout while scoring two touchdowns. FHSU's first and second scores of the contest came on interception returns by Sammy Taamillo (76 yards) and Kelly Barnard (100 yards). This game marked Barnard's first outing on the defensive side of the ball. Washburn moved the ball inside the Tiger ten only once which resulted in the 100 yard interception return and attempted a 27 yard field goal that was no good for their best chances of scoring on the day.

Missouri Southern 22, Fort Hays State 20

JOPLIN, MO (Nov. 2) - Fort Hays State's hopes for a share of the CSIC title and a NAIA playoff berth were dashed by the Lions in a close contest. When Don Stone picked off a Robert Long pass and took it in for a touchdown at 5:21 of the first period it put Missouri Southern up 9-0. All the Lions needed was a lead. The MSSC defense took over after that and shut down one of the best offensive teams in the nation. Robert Long was held to his only sub 200 yards passing day of the season.

HAYS, KS (Nov. 9) - It was not a memorable game with all playoff hopes gone and a few Tigers hobbled by injuries. Robert Long played on a badly sprained ankle but still threw for over 300 yards and a touchdown. FHSU's 14 fourth quarter points sewed up the contest. The game showcased the talents of several fine Tiger seniors - Long, Terry Thomas, Ralph Humphrey, Chris Honas and Dan Gillig to name a few. It was late in the game when Eric Busenbark went down with a severe knee injury.

Why the Tigers?

The nickname "Tigers", given to Fort Hays State's athletic teams, traces its origin to the year 1913.

The Tiger is a transplanted Missourian chosen by William A. Lewis during his presidency from 1913 to 1933. Lewis taught in Missouri schools and colleges and urged adoption of the Tiger, also the mascot of the University of Missouri, for Fort Hays State.

Lewis also is credited with adding the color black to the original college color, gold, to identify Fort Hays State as independent of the Emporia Normal School. At that time FHSU was a branch of the normal school.

Lewis Field

Lewis Field Stadium, the 7,000-seat home of the Tigers, was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and named in honor of William Alexander Lewis, president from 1913 to 1933.

The native limestone structure is located beside a spacious tree-lined drive and is just a short walk from the campus residence halls and the downtown business district.

The 1985 Tigers brought in a total of 19,163 fans in five home contests. FHSU averaged 3,923 paid ticket holders per game last year. The largest crowd was 8,082 for a homecoming affair with Kearney State on Oct. 5. It was the second straight season the Tigers surpassed the 8,000 mark in attendance for homecoming festivities.

The stadium turf is Bermuda grass, the same strong-rooted plant used in golf course greens.

Dressing rooms, concession areas, restrooms, athletic training facilities, and equipment storage rooms are located under the grand-stands.

Fans are admitted through two main gates located on both the east and west sides, with four ticket windows in service for the game.

Atop both the east and west grandstands are press box facilities which provide seating for writers and statisticians, three radio stations, scouts, and three film crews.

An eight-lane, cinder track surrounds the playing field and adjacent to the stadium are regulation size practice facilities.

Meet The Local Media

Wyatt Thompson

Rod Gardner

Wyatt Thompson of KAYS Radio & TV and Rod Gardner of the Hays Daily News are both in their third year of covering the Tigers.

KAYS Radio (14 AM) will broadcast all home and away Fort Hays State University football games. KAYS Radio will feature the "John Vincent Pre-Game Show" before every FHSU football game. The "Tiger Football Show" will air every Thursday at 10:30 p.m. on KAYS-TV, Channel 7 in Hays. In its third season, the show will feature head coach John Vincent with host Wyatt Thompson. Also included in the show will be taped highlights of Tiger games, guest players and staff members, features and statistical information.

Gardner is the sports editor at the Hays Daily News. The Hays Daily publishes an evening newspaper Monday thru Friday and a morning paper on Sundays.
